

Young Persons Presentation Competition

“CALL FOR PAPERS”

WIN

Cash Prize of £500

DEADLINE FOR 150 WORD SYNOPSES: 31st July 2009

The Challenge:

- Submit a written synopsis by the 31st July 2009 on any subject associated with the pipeline industry including; Gas, Oil, Water, Health & Safety or Environment
- Presentations are encouraged from all business functions and do not have to be engineering based.
- The objective of the competition is to develop presentation skills and enhance individuals profile within the pipeline industry.

Process:

- Each synopsis submitted will be evaluated by a panel of judges formed from the Eastern Branch Committee.
- Four synopses will be short-listed and individuals will be notified in September and asked to prepare a presentation surrounding their chosen topic.
- Each individual will be expected to present for 20 minutes on their subject at the PIG Presentation Evening on Tuesday 10th November 2009 to be held at Thorpe Wood House, Peterborough. A 5 minute Q&A Session will be taken after each presentation.
- The presentation will be marked against set criteria including: originality of topic; professionalism of the presenter, relevance of the topic; skill and knowledge imparted and timing.

Conditions of entry:

- Presentations can only be delivered by one person.
- All entrants must be aged 35 or under.
- No synopsis received after 31st July 2009 will be considered.
- Entrants must be able to present on 10th November 2009.
- The winner will be announced at the Annual Dinner in January 2010 where their cash prize will be presented.
